^(o) Nonlinear analysis only

Capacity of Small Business Version: limits of finite elements are 250 beam or 500 truss, 1500 Ribs, 2000 surfaces (membrane+plate+shell)

Upgrade prices for three previous versions are effective as follows: v13>X5=+25% / v12>X5=+50% / v11>X5=+75%.

Earlier versions can be updated based on individual offer.

DM, DXF, COM modules were built-in into X5 version!
